

MARPOL Annex VI Regulation 18.2, as incorporated by reference in 40 C.F.R. § 1043.100, provides that a vessel not in compliance with the fuel oil sulfur standards will:

“(1) present a record of the actions taken to attempt to achieve compliance; and

(2) provide evidence that it attempted to purchase compliant fuel oil in accordance with its voyage plan and, if it was not made available where planned, that attempts were made to locate alternative sources for such fuel oil and that despite best efforts to obtain compliant fuel oil, no such fuel oil was made available for purchase.”

A description of the actions taken to attempt to achieve compliance prior to entering the North American ECA, including a description of the reason why compliant fuel oil was not available (e.g., compliant fuel oil was not available at ports on "interim" basis).  
Note: The United States government does not consider the cost of compliant fuel oil to be a valid basis for claiming the non-availability of compliant fuel oil.  
the dates on which the contact was made.
